

Evaluator's Feedback (EFB) Form

(To be filled by the Evaluator)

| | | | | | |
|---------------------------|--|----------------------|--|-----------------|--|
| Evaluation date | | Academic year | | Semester | |
| Project Title | | | | | |
| Name of supervisor | | | | | |
| Section Number | Evaluation: Project 1 / Project 2 | | | | |
| Students' ID | | | | | |

1. Feedback on Daily/Weekly Task Report:

| |
|--|
| |
|--|

2. Feedback on follow-up action related to mid-term review report (Evaluator can write his comments based on the improvements in the project after the mid-term review report)

| |
|--|
| |
|--|

2. Feedback on Project Report: (Evaluator can indicate the required project report corrections in the report itself)

| Criterion | Evaluator's Comment |
|--|----------------------------|
| The project report is prepared in the prescribed template. | |
| Abstract summarizes the proposed project clearly | |
| The report discusses the essential sections such as objectives, methodology implementation, mathematical equations etc. evidently. | |
| Simulation studies with model/coding are described in the report. | |
| The prototype model and its working are demonstrated with necessary evidence. | |
| Results/outcomes and conclusion are appropriate in the report. | |
| Any other comments on the project report. | |

3. Feedback on Project Presentation:

| | |
|--|--|
| Slides are matched with the project report. | |
| The presentation highlights the students' contribution and achievements. | |
| All the project group members presented their part by English language. | |
| Any other comments about project presentation. | |

General comments (if any)

| | Name | Signature | Date |
